

Welcome to SOMEWHERE!

Our goal is to provide for the safety, enjoyment and preservation of beauty to be enjoyed by all. Our Main Rules are based on 4 basic principles: (1) Do Unto Others (2) Relax! (3) Share Your Smile! (4) Keep It Simple! Please make sure you and your guests/visitors follow the above rules and the following.

☺ **5 MPH** OUR ROADS & ENTRANCES ARE ALSO WALKING PATHS. PLEASE DRIVE WITH YOUR FOOT ON THE BRAKE OR TAP IT OFTEN TO AVOID GOING OVER 5 MPH.

☺ **Park** at end of your RV or in common parking areas ONLY. Please don't park next to your RV in your 'yard area', unoccupied spaces or drive/park on grass.

☺ **Relaxing is a Rule.** Please keep kids, vehicles, motorcycles, TVs, stereos, and dogs* on LOW volume! QUIET TIME is 10 PM – 7:30 AM. *See pet policies.

☺ **IN CONSIDERATION of others and maintaining park beauty, please ...**

☺ **Honor** your neighbors and our park beauty by keeping your RV space neat & orderly and cleaning up after yourself (pets and kids). Clothes lines are provided behind pet park; please do not hang clothes at your RV area or from trees, etc.

☺ **Honor** your neighbor's privacy and personal space. Please do not walk behind or into your neighbor's RV area without invitation and do not let your pets toilet in neighbor's yard area. (If they do have accidents at the neighbors - please clean up after them.)

☺ **Honor** your neighbor's time.

- Stay with or remove laundry asap (washers & dryers take approx. 45 mins per load)
- Don't hog free WI-FI with broadband hogs like downloading movies, software, uploading large files, etc. (Personal DSL lines are available via AT&T)

☺ **CHILDREN** must be in sight of and control of parents at ALL times anywhere in the park; this includes pet park, fire pit, buildings, common areas, sandbox and especially roads.

☺ **SMOKERS** are welcome in the office but please 'put 'em out' before entering other buildings. Please don't flick! Deposit in receptacles or your pocket for disposal later.

☺ **PET OWNERS** Pets are welcome in office but not in other buildings. Doody must be picked up immediately. Please see other Pet Rules/Policies on back.

Texas Law & EPA requires approved septic connections. If you do not have one; they may be purchased at Wal-Mart, RV Parts Stores or we have some at our office for purchase.

Somewhere RV Park and owners are not responsible for personal injury, damaged, lost or stolen property. Somewhere RV Park is a privately owned property and reserves the right to enforce rules, refuse service to anyone and/or require anyone to vacate Park upon request. We have Zero Tolerance for any unlawful / illegal activity whatsoever. No refunds or credits will be given for early departure, regardless of cause. Monthly and semi-annual rates are PLUS electric and guest is responsible for paying for electric use on the 1st of each month and upon departure, regardless of date of departure or actual time spent at RV Park.

PET RULES / POLICIES. We love 'em all – but pets can't be expected to understand our 4 main rules. (Do Unto Others, Relax, Share Your Smile and Keep It Simple.) It is up to each pet owner to make sure their pets obey these rules too.

- **DOODY:** We have several DOODY STATIONS which include a water hose, water bucket, deposit receptacle and plastic bag dispensers. There are plastic bags in all buildings as well. Your pet does not have thumbs so it is the pet owner's responsibility to pick up and deposit doody in the DOODY DEPOSITS immediately. Due to number of people & pets enjoying the Pet Park, doody pick-up is necessary here too.

- **SAFETY, LEASHES & ATTITUDE:**
 - Leashes are required at ALL TIMES for pets who are aggressive (grouchy to people or other pets), who won't respond to your commands and/or who have a run-away nature. For their safety, small pets should not be left alone at any time.
 - If your pet has a tendency to 'stir up' other pets or bark at folks while IN or going TO and FROM the pet park, please remove him from the temptation as rapidly as possible

- **BARKING:** Much as we all love 'em, barking dogs disturb everyone.
 - Fido should bark only when 'on the job' to protect you (such as someone knocking on your door or entering your RV space.)
 - Dogs left out on a leash or *fenced area** or who bark at birds, breezes, or charge at people or other pets who walk by should be controlled and taken indoors immediately.
 - * You are welcome to create a nice fenced in area beside or behind your RV (with our approval). However, you will be responsible for picking up doody in that area (to keep odors down) and keeping the area neat by doing your own mowing & weed-eating.*

- **PETS & BUILDINGS:** Pets are welcome to visit our office but are not allowed in any of the other buildings.
 - Exception: During severe storms you and your pets may 'ride out the storm' with you in one of our buildings. You will be expected to clean up all hair, accidents, etc. afterwards.

- **FENCED PET PARK:** Common sense using the above Rules and DO UNTO OTHERS apply to the Pet Park as well. Remember, due to the number of folks & pets enjoying the Pet Park, Doody pick-up is required here too.
 - PLEASE stay IN the park and keep an eye on your pet at all times.
 - Pets who 'do not play well with others' should always be kept on a leash, just in case another pet decides to take his owner for a pet park visit.
